

TAKE THE PLUNGE

With dive centres offering courses for beginners and those at advanced level in the island's main resorts, there are plenty of reasons to take the plunge in Corfu. From reefs swarming with scorpion fish, octopus, barracudas, corals and swordfish, to spectacular underwater caves and shipwrecks such as Regulus – a British minesweeper that sank in 1945 – the island's oldest club Corfu Divers (www.corfu-divers.com) can take you out to the main sites. If you don't fancy going deep, Corfu Scubanauts (www.scubanauts.gr) in Agios Giorgos offers snorkel lessons and trips for all ages and ability levels.
