

Tampere Aug 5, 2013

Heidi Fuller-Love participated on a press trip "Finnish lifestyle and local food", organized by Tampere tourist board and Visit Tampere Region - project, in September 2012. After the trip, she has written and published articles in several publications (both printed and on the internet) and presented Tampere's many different aspects as a travel destination.

The coverage that has come out as the result of the trip has exceeded our expectations. Heidi Fuller-Love is a regular contributor to a number of publications abroad and we are very happy with her work.
